Mr. Kalb is proposing a turn lane on Broadway so people would be able to turn onto Barachel and still keep traffic flowing on Broadway and the same for his property. He would be closing the old drive to his property and would be making six lots for businesses.

Plan Commission report was given on the Final Plat of Vandalia Hill Subdivision. No building until the twenty lots are taken out of the flood plain.

Kathy Crippen gave the report from the traffic committee. 1. Petition wanting a 20mph speed limit in Fairview Addition. A study was conducted and it is felt a 20mph speed limit is not warranted at this time because the average speed was 25mph. The police gave two citations during the study and they were both to residents of the area. 2. Complaint from a resident on Angie and Central in the Lee Addition on a parking problem. It was felt just talking to the neighbors and painting a yellow area could take care of the problem rather than a no parking sign.

Jessica Denny has been hired as a new dispatcher at the police department.

Herb Hunter gave an update on the Board of Works meeting.

Council set August 13th at 6 p.m. for the budget work meeting with the department heads.

Meeting adjourned at 6:45 P.M.
