Design Guidelines

The preliminary draft of the design guidelines was reviewed. It was noted that we used guidelines from a community in Texas as a template, which Judy Curd found for the Commission. It was suggested that the definitions be put into a sidebar in the document and that the font be changed to be consistent. It was also suggested that for the public hearing, which has not yet been set, that the Commission obtain samples of “historic paint colors” from local paint for the public to see. It was also suggested that the draft of the guidelines be sent to the City Engineer and Planning office for their feedback and input. Work will continue on this document at the next meeting, beginning on page 7, following paragraph on “Stucco”.

Advisory Board Members

Melanie will discuss Advisory Board members with the Mayor.

Meeting Adjourned.

NEXT MEETING: June 28, 2010 @ 6 PM @ City Hall
