#### COA Application Presentation

Sonya Miller, co-owner of the Baby Chique Boutique & More located at 110 E. Washington Street, reviewed the COA request to replace three 2<sup>nd</sup> story windows in their building. The windows they wish to install are similar to the design and appearance of the original windows. The second story replacement windows will be a double hung, single pane style. The eyebrow portion of the window will be a sectioned style rather than single pane because manufacturers no longer produce an arched sash of that size.

After discussion, a motion to approve the COA for the Baby Chique Boutique & More as presented was made by Theresa Schwering and seconded by John Schmalenberg. The motion passed.

There being no further business before the commission, a motion was made by John Schmalenberg to adjourn the meeting. Theresa Schwering seconded the motion. The motion passed. The meeting adjourned at 5:45 PM.

Respectfully submitted,
